

Membership & Facilities

Our exclusive Pickleball Club is based in the picturesque landscaped grounds of Calcutt Boats. Ideally located next to Meadows Marina, adjacent to our main marina carpark.

We have two excellent outdoor floodlit courts built by Charles Lawrence Ltd and a small elegant clubhouse for use by our members.

Calcutt Pickleball Club membership is an integral part of their package for those that have a boat moored with us. We are however, opening our doors up and making a limited number of memberships available to players in our local communities.

Membership will give you access to our online court booking facility, the site, our courts, the clubhouse and the Pavilion for its toilet and shower facilities, between 8am and 9pm, seven days a week.

A regular newsletter will keep you up to date on the latest news, views, events and all things Pickleball. Coaching will also be made available for those that want it.

Our aim is to create a fun, social environment for all levels of player with a range of events and round robin tournament to suit your ability... Come and join in the fun
