Thank you for choosing Calcutt Boats Marina

When all berths are taken up we operate a waiting list, to be placed on this list you will need to pay a £400 holding fee. We cannot predict how long you would be on the waiting list as piers become available only when a boat leaves. We generally have temporary mooring positions where you can wait for a pier.

If you decide, whilst on the waiting list, to cancel your application, your holding fee will be refunded and we will return your payment in full with no mutual commitments. If at this stage your boat is in our temporary mooring area, the temporary mooring rate will then apply retrospectively.

The Marina

Calcutt Boats has been established for over 50 years and has built an industry-wide reputation for quality and service.

In 1988, we opened **The Locks Marina**, a 4.5-acre site with moorings for up to 100 boats. Each berth is served by fully-fendered piers of varying lengths, generously spaced to allow boats to come and go without disturbing others.

In 2006, we expanded with **The Meadows Marina**, offering space for an additional 140 boats. This marina features all-wooden piers, each designed to accommodate one boat on either side.

All moorings are available strictly on a **leisure-only basis**.

Facilities

At our marina, you'll find everything you need for comfort, convenience, and community. We offer water points and electrical outlets, along with pump-out and sewage disposal for easy upkeep. Safety and peace of mind come as standard, with perimeter and walkway lighting, a floodlit car park, and 24-hour security.

Relax and unwind at our picnic and barbecue area, make use of the pavilion, complete with hot showers, toilets, a moorer's lounge, and laundry facilities. Also on site we have fuel, Calor gas, a well-stocked chandlery, and a provisions shop.

Life here is about more than mooring—our vibrant community comes together at **The Steam Carriage**, our social hub and bar, with free monthly events throughout the season. Stay connected and informed with our regular newsletter, designed to keep you up to date with everything happening at the marina.

For recreation, moorers also enjoy free membership to our on-site **Pickleball Court**, perfect for keeping active and socializing with fellow boaters.

Service

Calcutt has the rare distinction of being a 'full service' marina**.** All repairs, modifications, servicing, refurbishment, and painting can be completed on-site by expert engineers in our first-class facilities. Moorers benefit from reduced labour rates, reduced slipway rates, and no requirement for deposits.

Mooring Rates

Mooring fees in the Locks marina are **91 pence** per foot of boat length per week when paid annually in advance, and **£1.02** per foot of boat length per week when paid Quarterly or Monthly in advance. Berths in the Meadows marina are charged at the rate of **£3100** per annum for the standard piers and **£3617** for the long piers. Quarterly and Monthly payments in meadows have a 10% surcharge. All moorings are subject to an additional electricity infrastructure charge of £150 a year (£40 a quarter).
All charges include VAT.

Mooring fees are not refundable.
